Future time clauses

when, as soon as, before, after, while – a za nimi žiadne will

1 · Pravidlo (The rule)

rovnako ako pri if

time clause → present simple · main clause → will

When I get home, I'll have lunch.

Keď prídem domov, naobedujem sa.

2 · Spojky (Time words)

when keď	I'll call you when I arrive.
as soon as hneď ako	As soon as it stops raining, we'll go out.
before predtým než	I'll brush my teeth before I go to bed.
after potom čo	After the film finishes, we'll eat.
while kým, zatiaľ čo	I'll read while you cook.

3 · Načo to je? if × when (Why?)

If = podmienka: aby sa to stalo, musí sa niečo splniť.

If I pass the test, I'll celebrate. (možno ho neurobím)

When = čas: stane sa to určite, povie nám, kedy.

When I finish the test, I'll go home. (určite ho dopíšem)

4 · Pozor! (Mistakes)

časová veta na začiatku → čiarka

~~I'll call you when I will arrive.~~ → … when I arrive.

~~Before I will go to bed, …~~ → Before I go to bed, …

Zavolám ti, keď prídem. → … when I arrive. (nie when I will arrive)

Teraz ty!

Čo urobíš dnes?

As soon as I get home, I'll …
